Maryanne – I want to share with you the incredible ways in which Jesus has been at work in my life. In the midst of the challenges outlined in my previous prayer request, I am thrilled to testify to His faithfulness. Following the unexpected termination of my previous job and the financial strain that ensued, I turned to prayer for solace and guidance. In His perfect timing, Jesus opened a door for me, and I am now employed with a nonprofit organization that aligns with my passions and values. Though it's a short-term contract and I need a year to secure Permanent Residency, I am grateful for this opportunity and place my trust in God's mercy and grace to continue guiding my journey. This experience has been a powerful reminder of God's provision and His ability to turn challenging situations into opportunities for growth and blessing. I am overwhelmed with gratitude for the support and prayers of the Bethel community, and I am excited to continue walking this journey of faith with each of you. Thank

you for standing with me in prayer, and may we continue to witness the transformative power of Jesus in our lives. With heartfelt joy.

Two people decided to follow Jesus at Bethel on Sunday!

November 1st

Ginette – I've been praying, asking for prayers from my Bethel family for my daughter Stephanie to be released from the devil. God is a strong God and he is stronger than the Devil. With prayers Stephanie has found Jesus. She is coming to church, she's attended mega prayer night last week and has been coming to church on Sundays. Needless to say, the devil still comes after her but now she has God to fight him. I continue to pray for her everyday.
